YOUR GOODS**

**USE EPAL
PALLETS**

-EXCLUSIVELY-

So that you get the best possible protection for your goods, since 2013 at EPAL we have carried out more than 85,000 independent, unannounced quality inspections at its our licensees. Field Managers systematically look for trademark infringements which EPAL then prosecutes. This means that the EPAL pool is and remains the safest solution for your logistics operations. www.epal.eu
